ABOUT US

Highway Care is a leading supplier and installer of road barrier systems and mobile traffic products, developed especially for the highway and security industry. Over the past 40 years, Highway Care has remained at the forefront of innovative road safety solutions. We continue to push boundaries and break new ground, introducing new road safety solutions to the UK including: the lorry mounted crash cushion, the mobile light arrow and mobile red X light arrow, the BG800® temporary steel barrier and P4 end terminal.
